

«SHYFTE» - Building Skills4.0 THROUGH UNIVERSITY AND ENTREPRISE COLLABORATION

OBJECTIVES

BUILD AND STRENGTHEN LINKS

between HEIs and Industry
4.0, and promote the job
market by minimizing the
skills gap.

BUILD SKILLS 4.0 LABS

or Learning centers of
excellence in Asian Partner's
HEI to enable each of them to
become the reference center in
its country.

SUPPORT ACADEMIC AND ADMINISTRATIVE STAFF

in Asian HEIs to design and
implement new methodology
and learning materials.
